

GROUPS & MINI-STAY PROGRAMMES  
IRELAND • MALTA

## AN UNFORGETTABLE LIFE AND LEARNING EXPERIENCE

Established in 2003, Atlas Language School has gained a strong reputation as an award-winning school. Over the past two decades, a large part of our business has revolved around designing and delivering customised mini-stay programmes for schools and colleges worldwide.

We design all our courses in close consultation with group leaders in order to meet the needs and language requirements of each student. We believe our excellent facilities, experienced staff and comprehensive range of courses make us the number one choice for group programmes and mini-stays in Ireland.

### Culture and Communication

Our intensive language and culture courses focus on developing students' confidence and ability to speak and engage in conversation with friends and peers about teenage life, as well as the traditions and cultures of various English-speaking countries. The Improvers course is aimed at students on their A2/B1 (i.e., lower intermediate) journey, while the Flyers course is aimed at students who are more independent and are on the B1/B2+ journey.

### Exam Courses

Our intensive short courses develop the language and the skills students need to succeed in the Cambridge, IELTS and TOEIC examinations, as well as in everyday social interactions. Lessons link specific strategies to different question types and papers. To maximise the benefits of these exam preparation courses, students are encouraged to actively engage in a variety of pair-work and small group activities.

### Cambridge IGCSE

This intensive Cambridge IGCSE (ESL) short course is designed for A2/B1-level students with some English proficiency, often non-native speakers who study subjects like history, geography, or science in English. It focuses on enhancing language skills and preparing students for the Cambridge IGCSE (ESL) exam through engaging activities.

## WORK & LEARN

### Tourism & Hospitality

Focusing on communication, Atlas' course in International Tourism and Hospitality is designed to enhance the career prospects of those wishing to work in this exciting market sector. You will study the language of customer service; restaurant / bar work and responsibilities and sustainable and regenerative tourism. In addition, you'll learn how to prepare job applications / CVs and prepare for that all important interview!

### The Environment & Sustainability

This mini-intensive course enhances students' English language and critical thinking skills for discussing topics like fast fashion, smart cities, and sustainable travel. We connect classroom learning with real-world language experiences. Students work in small groups to design and present Action Projects, assessed by their teacher on the final day. The programme includes visits to places that have links to sustainability and 'greening' the economy and the planet.

### Art & Culture

This intensive course enhances students' language and skills to appreciate some of the English language's renowned literary figures, while also exploring local music, culture and examples of art that are on display locally. It features engaging materials, stimulating discussions, and collaborative learning, connecting classroom tasks to real-world language opportunities in museums and galleries. Assessment includes a group presentation.

### Food & Agriculture

This mini-intensive course hones language skills for discussing modern agriculture and food production in Ireland and the EU, with a focus on farming methods, food production, globalisation, and food waste. We integrate raising awareness of the United Nations' Sustainable Development Goals into the course, and classroom tasks extend to real-world language learning opportunities outside the classroom on food and agriculture-related trips.
