

Family Programme

Would you like to learn English while travelling with your children? Our special Family Programme has been created to enable families to learn together - parents can follow an Adult Course, while your children are placed on a Junior Course to learn new language skills, including vocabulary, everyday English, idioms and grammar. This programme promises practical, rapid learning for both you and your children. It's the perfect family programme, tailored to ensure that you all have a great time while learning at your own pace.

COURSE

Our Children's Course runs from Monday to Friday between 09:00 and 12:30, with a 30 minute unsupervised break between 10:30 and 11:00. Your children will improve their English on our specifically-designed course, using modern interactive methods and communicative techniques. This course will also give them the opportunity to make friends and have fun in an international environment. As parents, you can also join in and develop your own English skills by signing up to one of our Adult Courses.
