The Maltese islands have something to offer to every type of visitor – from churches and temples to beach and watersports and from museums and baroque cities to golf and trekking. ACE English Malta offers its adult students a comprehensive leisure programme which is aimed at attracting all the varied students' tastes, whatever their preferences.

A typical weekly programme would include visits to Valletta and Mdina, a beach trip and a boat party in Summer, or a Jeep Safari and a trek around Malta's countryside in Winter. Evening activities such as the theatre, a visit to a village festa, a typical Maltese meal or a visit to a popular nightclub could also be on the cards.

Apart from regular outdoor activities like golf, tennis and horse-riding, there are also plenty of indoor options such as pampering oneself in a deluxe health spa, getting fit in the gym, catching the latest blockbuster release at the cinema or challenging friends to an evening of bowling.

The Maltese islands' clear blue Mediterranean Sea is ideal for scuba diving. All three islands offer some unique diving experiences with an abundance of reefs, caves and wrecks that make diving here some of the most interesting in the Mediterranean and around the world. Sailing is another very popular sea-based activity which students might want to try sometime during their stay in Malta.

By participating in the School's social programme, a student will:

- Speak and hear more English
- Meet other students and locals and make friends
- Learn new things
- Laugh and have fun and most importantly relax!
